# Anne Blaes, M.D.

Translational and clinical science in oncocardiology  
with a focus on shared risk factors and breast cancer

URL (Hybrid)

ミネソタ大学医学部 血液腫瘍内科 教授

**Professor, Division of Hematology/Medical  
Oncology at the University of Minnesota**

Anne Blaes is a Professor in Hematology/Oncology at the University of Minnesota where she also serves as the Division Director of Hematology/Oncology/Transplantation. She is the director of Cancer Survivorship Services and Translational Research and co-director of the Screening, Prevention, Etiology and Cancer Survivorship Program within the Masonic Cancer Center. She is an active hematologist/medical oncologist with a special interest in breast cancer, cardiooncology and cancer survivorship. She is a past chair of the American Society of Clinical Oncology Cancer Survivorship Committee and a founding associate editor for JACC Cardiooncology. She serves on the planning committee for the San Antonio Breast Cancer Symposium, and she serves on the Global Cardiooncology Society leadership teams, and the American Heart Association Cardiooncology Council.
